CAREER SUMMARY & OBJECTIVES

Freshly graduated with a Diploma in Computer Science and passionate about technology. A quick learner and tech enthusiast who enjoys engaging with people and solving problems. Through past experiences in IT support, web development, and leadership in Scouting, I've developed strong communication and coordination skills ready to apply them in a role where I can grow, contribute, and connect with customers.

WORKING EXPERIENCE

Genesis Tech Solution **(Apr/2025 – Aug/2025)**
Part-time Technician

- Promote product & services through online platforms such as Facebook, Instagram & rednote.
- Website Development & Maintenance
- Social Media Manager & Content Creator

Genesis Tech Solution **(Jan/2025 – Mar/2025)**
Internship

- Provided onsite & remote IT services.
- Computer assembly & repair, software & Windows installation.
- Led website-related projects, including the redesign of the company's official site.
- Built and deployed a full website for a client, improving both SEO and performance.
- Coordinated with a photographer to manage visual content for the client's web project.
- Managed company's social media platforms.

U Mobile **(Aug/2024 – Dec/2024)**
Outdoors Promoter (Roving Team)

- Promoted and sold prepaid SIM cards and plans to visitors and customers, improving sales techniques
- Organized and operated booth events to showcase U Mobile products, contributing to a hands-on understanding of event marketing and product presentation.
